Questions for Year 3 and 4

On separate paper, please share your experience and insights. **Please type.** For ease in reading, please type the question as well as the answer. You may be brief. Please include a photo of yourself.

We would like to know your experience and insights in the first two years and your motivations for continuing with the BMC practitioner program, as well as your feedback, so we can have a better idea for organizing the material and administration. We hope these questions will also help you become clearer about yourself, your goals and your expectations.

If you would like to speak with someone regarding this, please feel free to contact us.

Please briefly share your experience and insights on:

1. The first two years of the Somatic Movement Education Program
2. Your process of embodiment
3. Your experience with Hands-On
4. The teaching style in the first two years in relation to your learning style
5. Moveus administration
6. Your application of the BMC material
7. Your experience teaching BMC
8. Your experience giving individual lessons
9. Reasons for wanting to continue. Your expectations.
10. Your strengths and talents. Areas where you need support.
11. Medical, physical or emotional conditions that could affect your participation.
12. Additional comments and suggestions. Other feedback.
