

**Registration Form**  
**Infant Developmental Movement Education Program (IDME)**  
Directed by Thomas Greil and Friederike Tröscher

**To register**, please complete this form and the answers to the questions and return them with a deposit of 50 Euros for each course to moveus. *If you register two months before the course starts you get a 50 Euro reduction on the course. If you cancel 2 weeks before a course starts, we just keep the deposit, after that the whole course fee is due. **The payment is due two weeks before the course starts.***

---

### Locations

The certification courses of the SME program take place in two locations Klein Jasedow, close to the Baltic Sea and the island of Usedom.

The IDME application courses take place in Berlin and Bonn area.

More information for how to get to the places will be available upon registration.

---

### Times

First and last days are full days. Classes start at 9:00 in the morning. There are two 2-hour classes before the lunch break and one 2---hour class and one 1---hour class in the afternoon. Classes finish at 18:15.

---

### Accommodation

Food and accommodation are not included in the fees. There will be a list of accommodations available upon registration.

---

### Homework

For Certification students also need to complete certain homework.

## Infant Developmental Movement Education Program

### Application Questions

On separate paper, please answer all the following questions and send them with your registration.

What we would like is to better know who you are, what you are bringing to the program, how you can be a resource to others in the program and what you need from others in the way of support. We hope this application will also help you become clearer about yourself, your goals and your expectations.

If you need to speak with someone regarding your application or any of the questions, please feel free to contact us.

1. What is your educational background? Please list any post-secondary schools attended, dates, and any degrees or certificates received. You may enclose a resume instead of answering this question.
2. Please list work or other significant experience, especially with babies (also if you have experience in the field of care or disability). You may enclose a resume instead of answering this question.
3. What experience have you had with Body-Mind Centering®? How did you first hear about it? Have you had individual sessions, classes or workshops with a Certified Practitioner? Who? Approximately how many hours?
4. Please list your experience with other body-mind disciplines (movement, dance, bodywork, other psychophysical approaches). Indicate whether your experience has been casual, serious amateur, semi-professional or professional.
5. What are your reasons for wanting to take this course or program? What are your expectations?
6. An important aspect of this program is its experiential nature. You will be working deeply with yourself and closely with other individuals and the group as a whole. You will be presented with a range of different teaching styles from our staff and different learning styles from other students. At times, you will be asked to step into learning styles that you may be unaccustomed to. In regard to these things, please tell us a) your strengths and talents and b) areas where you need support.
7. Do you have any physical or emotional conditions that could affect your participation in this program? If, yes, please describe.
8. Are you only interested in the Infant Developmental Movement Education Program (IDME) or also in the Somatic Movement Education Program or in the Practitioner Program?
